RE: February – May 2010 Greeting Schedule

Hello, Greeters! You are doing a great job making people feel welcome at Calvary. Keep up the good work! Please remember to greet those who enter the church from the side door. One option is to say “goodbye” to those who exit from that door after the service. If you have a conflict on your assigned date, please switch places with another committee member. When possible, I have scheduled those who usher on the same dates. This is not always possible due to our numbers and an overlap of Committee members ushering together.
